Sir:

Submitted herewith is a Terminal Disclaimer in the above-identified application. The statutory fee of \$130.00 is being charged to Deposit Account No. 19-4880 via EFS Payment Screen. The USPTO is also directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Applicant thanks the Examiner for the courtesies extended during the teleconference of April 25, 2007, during which the above-noted application was discussed. The Examiner agreed to amend claim 7 (via an Examiner's Amendment) to even further clarify the language, and requested that Applicant file the attached Terminal Disclaimer.

Applicant submits the Terminal Disclaimer as the path of least resistance and submits that the filing simply serves the statutory function of removing any potential rejection of double patenting based on U.S. Pat. No. 6,778,382, as requested by the Examiner, and raises neither
